Our words

To make sure that You can readily understand Your rights and obligations We have written this document in plain English. For easy reference, We have capitalised the first letter of each word which We define in Our 'General definitions' which apply to words used in this document. This does not apply to headings. All of the other words in this document have the meanings set out in the Macquarie Dictionary (current edition) so that You can easily find out what they mean.

Applying for insurance cover

You must apply to Us for insurance cover and meet Our relevant eligibility criteria before cover will be provided. It is also important You understand how We manage Your personal information which We tell You about in Our Privacy information on page 6.

Where We have agreed to issue You with insurance, Your agreement with Us is made up of:

- this Livestock policy Product Disclosure Statement and wording; and
- the Important information, General conditions and General definitions in this document; and
- the record of Your application for insurance; and
- the Certificate of Insurance We issue to You which confirms issue of any of the Livestock policy and which sets out the details of Your cover including but not limited to the Period of Insurance, Person insured, amounts of cover, limits of indemnity, any applicable excesses and any special terms or conditions that apply to the Livestock policy; and
- the Livestock policy which the Certificate of Insurance states You have been issued with.

You need to read these documents carefully to ensure You are happy with the cover provided and check that the details in the record of Your application for cover and the Certificate of Insurance are correct. You should keep the Certificate of Insurance and all documents relating to the Livestock policy in a safe place.

The agreement between You and Us

We only provide You with insurance under a policy for which We issue You with a Certificate of Insurance and only for the Period of Insurance shown on the Certificate of Insurance. The insurance is also subject to Our General conditions together with provisions shown on the Certificate of Insurance issued to You.

If a provision shown on the Certificate of Insurance is inconsistent with a provision contained in this policy then, to the extent of the inconsistency, the provision shown on the Certificate of Insurance prevails.

The cost of Your insurance

We determine the base premium by considering a number of criteria.

When You apply for insurance We ask You to provide information about Your personal risk situation relevant to the policy such as:

- the animal(s) being insured;
- the type(s) and amount(s) of cover You require, excess levels and the period for which You want the cover (where this is optional); and
- Your relevant claims and insurance experience.

Factors that increase the risk to Us generally increase the premium (e.g. higher sums insured or a high claims experience) and those that lower the risk generally reduce the premium payable (e.g. lower sums insured, higher excesses or low claims experience).

If You have any queries about this You can ask Us when You apply for insurance.

Your premium also includes amounts that take into account Our obligation (actual or in some cases estimated) to pay any relevant compulsory government charges, taxes or levies (e.g. Stamp Duty, GST and Fire Services Levy) in relation to Your policy. We show the amounts on Your Certificate of Insurance.

Where We are required to pay an estimated amount (e.g. for a Fire Services Levy) based on criteria set by the government, We allocate to the policy Our estimate of the amount We will be required to pay. We may over or under recover in any particular

year, but We will not adjust Your premium because of this. You can obtain further information on Our website www.wfi.com.au.

We tell You when You apply for insurance how and when the premium (i.e. total amount payable) needs to be paid. It is a term of Your policy that You pay the premium to Us by the time required by Us.

Excess (Your contribution)

An excess is the first part of any claim on a policy which You must pay. The amount We must pay under the policy is reduced by the amount of the excess. You only have to pay an excess if it is mentioned in the policy or shown on the Certificate of Insurance.

Sometimes We introduce or increase an excess on renewal of a policy. We generally do this because of rising claim numbers and costs and to minimise any increase in premium that would otherwise be required to cover those rising claim numbers and costs. We show the new excess on the Certificate of Insurance that We issue to You confirming cover.

Utmost good faith

The law requires each of us to act towards the other with utmost good faith (fairly, openly and honestly) in the performance of the policy and in the making and handling of claims under the policy.

Jurisdiction

This policy is governed by and will be construed in accordance with the laws of Australia and the parties agree to submit to the jurisdiction of the courts of Australia.

Goods and Services Tax (GST)

The amount of premium payable by You for the Livestock policy includes an amount on account of the GST on the premium.

All amounts insured by the Livestock policy are in accordance with the advice You have given to Us regarding your GST status and the GST status of items to be insured.

We will not be liable to pay any GST, or any fine, penalty or charge that You are liable for arising out of Your

misrepresentation of, or failure to disclose, Your proper input tax credit entitlement on the premium relating to the Livestock policy.

In respect of Your Livestock policy with Us where You are registered for GST purposes, You should calculate Your proposed sums insured with reference to the GST status of each item of property to be insured.

Depending on the GST status of each item of property to be insured, the sums insured may or may not include a GST component. An amount for GST should only be included in the sum insured if the item of property to be insured is not used 100% for business use. All items of property used 100% for business use should be insured on a GST exclusive basis.

This outline of the effect of the GST on Your Livestock policy is for general information only. You should not rely on this information without first seeking expert advice on the application of the GST to Your particular circumstances.

How GST affects claim payments

If We settle Your claim by making a payment to You, Your GST status and the GST status of the property which is the subject of the claim, will determine the amount We pay.

When You are:

- not registered for GST, the amount We pay is the sum insured/limit of indemnity or the other limits of insurance cover including GST;
- registered for GST and the property which is the subject of the claim is used 100% for business use, We will pay the sum insured/limit of indemnity or the other limits of insurance less any relevant GST component, including, but not limited to, any input tax credit to which You are entitled for any acquisition which is relevant to Your claim, or which You would have been entitled were You to have made a relevant acquisition;
- registered for GST and the property which is the subject of the claim is used 100% for personal use, the amount We pay is the sum insured/limit of indemnity or the other limits of insurance cover including GST;

- registered for GST and the property which is the subject of the claim is used for business and personal use, We will pay the sum insured/limit of indemnity inclusive and exclusive of any relevant GST component with reference to the percentage of personal use and the percentage of business use of the item that is the subject of the claim.

You must advise Us of Your correct entitlement to an input tax credit on your premium and the correct entitlement to an input tax credit on each item of property to be insured. Should the item of property which is the subject of the claim be used for both personal and business use, any amounts We pay will be in accordance with the percentage of personal and business use.

Any GST liability arising from Your incorrect advice is payable by You.

Dishonest claims

If You make a dishonest claim, We can refuse to pay it. We may also cancel the policy.

Keep up to date records of insured animals

To help Us to process any claim You may have, make sure You keep a record or evidence of ownership, value and detailed description of all insured animals.

Changing the terms of the policy

You may ask Us to change a term of the policy. If We agree, We confirm the change in writing.

Your cooling-off right

If You wish to reconsider Your decision to insure with Us, please contact Us to discuss Your concern. If You decide not to proceed, You can exercise a cooling-off right by notifying Us in writing within 21 days of receiving the Certificate of Insurance that You want to do this. If You do this and You have not made a claim and nothing has happened which would entitle You to make a claim, We will fully refund the premium You paid to Us.

You still have cancellation rights after this cooling-off period ends and these rights are set out below in 'When You can cancel'.

When You can cancel

You can cancel Your policy at any time by writing to Us requesting cancellation. If You cancel, other than under 'Your cooling-off right', We refund the premium less an amount which covers the period for which You were insured, reasonable administrative costs relating to the issue and cancellation of the policy and any government taxes or duties We cannot recover.

However, if You have made a claim or are entitled to make one under Your policy:

- there is no return of premium for any unused portion; and
- We may deduct from any claim payment premium already refunded to You.

We do not refund premium if the Certificate of Insurance specifically says there is no refund of premium.

When We can cancel

We may cancel a policy as allowed by the *Insurance Contracts Act 1984* (Cth). We give You a notice in writing.

If We cancel, We refund the premium less an amount to cover the period for which You were insured.

Code of Practice

We have adopted the General Insurance Code of Practice developed by the Insurance Council of Australia. The Code is a self regulatory code for general insurers in Australia. We embrace the objectives of the Code to raise standards of practice and service in the general insurance industry.

What We pay

Death of an animal

We pay You the market value of the animal at the time of its death, up to the sum insured shown on the Certificate of Insurance for that animal.

If the animal was slaughtered or destroyed in compliance with the provisions of any legislation or order of a public authority and You have been paid or are entitled to be paid compensation under that legislation or order, the amount We have to pay under this policy is reduced by the amount of that compensation. If You receive that compensation after We have paid You under this policy, You must refund what We have paid You to the extent of the other compensation You receive.

Loss of use of a bull or ram

We pay You the market value of the bull or ram up to the sum insured shown on the Certificate of Insurance for the bull or ram at the time immediately before it became Impotent less its market value upon it becoming Impotent.

If You have been paid or are entitled to be paid compensation under a ‘guarantee of fertility’ because the bull or ram became Impotent, the amount We have to pay under this policy is reduced by the amount of

that compensation. If You receive that compensation after We pay You under this policy, You must refund what We paid You to the extent of the other compensation You received.
